Columbiana & Mahoning Beekeepers' Association Newsletter

President's Corner

It is hard to believe the year is half over and fair time is right around the corner. We are encouraging everyone to get your fair entries ready. It is not only fun to enter but the entries are a big contributor to the success of our booth. They are a draw to the booth and a good segue to educate fair goers about beekeeping.

On Thursday of the fair, we are also sponsoring a kid's event near our booth with games and attractions in support of Kids Day at the Fair.

We are in need of volunteers to set-up and tear down the booth and especially to work a shift or two at the fair. The schedule will be available at the next meeting so be prepared by knowing when you can work.

Monthly Honey Recipe:

HONEY-GINGER LEMONADE

A Nancy Fuller recipe courtesy of food network. This recipe has beekeepers talking. Let's give it a try using the honey that our honeybees produce. This is sweet but, yet has the spice of ginger with the freshness of lemon. Make it your own.

Ingredients:

You will need water

1 cup honey

About 1/3 cup sliced ginger can leave skin on

1 ½ cups fresh-squeezed lemon juice (you will want to use real lemons)

Ice cubes, for serving

Directions:

1. Bring 2 cups water, the honey and ginger to a boil in a medium saucepan over medium-high heat. Turn off the heat and let steep for 10 minutes. Strain and refrigerate until cold.
2. Put 4 cups water, the chilled honey and ginger mixture and the lemon juice in a large pitcher and stir until combined. Pour over ice into your favorite vintage glasses.
